The following values are computed for global report time

Report time length: 359:00:00
Concerned computers: 17
Total session time: 1903:40:33
Total computer time: 6103:00:00
Average computer time: 111:58:51
Workstation usage: 31%
Concerned users: 15
Average time per user: 126:54:42
